## The Volvo S40 / V50 at a glance.

### ES

The comprehensive standard specification includes ECC (Electronic Climate Control), 16" alloy wheels, DSTC (Dynamic Stability and Traction Control), passenger airbag cut-off switch, power windows, a leather steering wheel and gear knob, information centre, floor mats, a CD player and an aux. input for MP3 players.

### SE Edition

The SE model brings added luxury; leather-faced upholstery, aluminium inlays, cruise control, Bluetooth® and an upgraded sound system are complemented by new 17" Spider alloy wheels and rear park assist.

### SE LUX Edition

The most luxurious version of the Volvo S40 and V50 features an integrated satellite navigation (including two free of charge annual map updates), autofolding power door mirrors with ground lights, autodimming rear view mirror, rain sensor and 17" Spartacus alloy wheels.

### R-DESIGN Edition

The striking exterior lines are enhanced with a full bodykit and 17" Cratus alloy wheels in addition to the striking LED day running lamps located in the lower bumper. The interior benefits from a unique centre console inlay as well as an upgraded sound system and Bluetooth®. The R-Design logo is featured on the front grille, sports steering wheel and unique leather/T-Tec upholstery.

### DRIVE

DRIVE is a series of modifications, adjustments and enhancements designed to make it easy to reduce both your impact on the environment and your running costs. All S40/V50 DRIVE models come with Start/Stop technology and produce just 99g/km CO<sub>2</sub> - not only does this mean up to 74.3 mpg on the combined cycle, but there is no vehicle tax to pay.

### Edition range

Edition models are packed with equipment designed to maximise your ownership experience. Externally, rear park assist helps you see whilst reversing and new LED day running lights help you be seen. Interiors benefit from a high performance sound audio system and Bluetooth®, and both SE and SE Lux models have leather-faced upholstery as standard. The SE Lux Edition is additionally fitted with an integrated satellite navigation system (including two free of charge annual map updates).

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge (inclusive of number plates and VAT at £550) and vehicle tax as of 1st April 2011 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government - excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

## Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to <a href="http://www.thatcham.org/abigrouprating">http://www.thatcham.org/abigrouprating</a>
-------------------	--

LUGGAGE COMPARTMENT	
Volume - rear seats up, litres (D3 and D4)	404 (325)
Volume - rear seats down, litres (D3 and D4)	883 (804)

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) All diesel models are fitted with a particulate filter.

### Notes

The weight of the vehicle will influence the level of CO<sub>2</sub> emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO<sub>2</sub>. However, vehicle tax is paid according to the weight and CO<sub>2</sub> emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified.

Auto = Geartronic Automatic Transmission

The maximum power output figures are quoted in hp.

**Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models. Volvo Car UK Limited, Globe Park, Marlow, Buckinghamshire, SL7 1YQ.**

## Technical specifications. In fine detail.

The nuts and bolts of your Volvo V50. Whatever you need to know about your new car – whether that's fuel consumption, CO<sub>2</sub> emissions, top speed or boot space – you'll find it here.
