The Volvo XC90 range at a glance.

ACTIVE

The Active model comes with all the features you'd expect from a Volvo. Beyond the 17" Neptune alloy wheels and RSC (Roll Stability Control) system, the Active offers dual-zone climate control, rear park assist, power door mirrors and windows and dark tinted rear windows. Interior details include a leather steering wheel and gear knob, and high performance audio system with USB and aux. input, 8 speakers and CD player together with aluminium trim.

SE

The SE variant takes you and your passengers further along the path of self-indulgence with a variety of intuitive features, such as the automatic rain sensor and autodimming rear-view mirror as well as a power adjustable driver's seat and leather-faced upholstery. On the outside, 18" Camulus alloy wheels and brushed aluminium roof rails make sure you don't go unnoticed.

SE LUX

The SE Lux includes the ultimate motoring equipment. Above and beyond SE specification, the SE Lux has chronograph instrument dials, soft leather upholstery, sanded silver aluminium trim and both front seats are powered and heated. Exterior details include 18" Situla alloy wheels, and active bending xenon lights with headlight cleaning system.

EXECUTIVE

The Executive is the ultimate in Volvo luxury. Its refined exterior boasts stylish matt chrome door mirrors; active bending xenon lights and 19" Galateia alloy wheels. Inside the cabin, inlays of walnut provide a warm welcome, while Executive ventilated soft leather upholstery with massage function, extra padding and armrests pamper. Further features include an integrated satellite navigation system, and premium sound audio system and Bluetooth® handsfree system.

R-DESIGN

The R-Design model combines the luxury features of the SE, with added sports styling and handling enhancements. Speed-dependent power steering with unique 19" Vulcanis alloy wheels and an upgraded R-Design chassis enhance the handling characteristics. Visual presence is further enhanced with silver matt door mirrors, unique quad tail pipes, together with the unique R-Design leather-faced upholstery and front sports seats with side support, R-Design leather steering wheel and unique aluminium interior trim.

PREMIUM

The Premium model is the ultimate upgrade. The combination of an integrated satellite navigation system and Bluetooth® handsfree system is designed to complement the existing high level of specification.

On the road.

How much will it cost to get behind the wheel of your own Volvo XC90? Simply decide which model variant and engine type are right for you and then take a look at the full price list.

All 'On The Road' prices quoted in this price list include Volvo standard national delivery charge, inclusive of number plates and VAT at £535 and vehicle tax as of 1st April 2010 (as set by the government). This charge does not include any provision for fuel. The 'On The Road' price also includes a £55 vehicle first registration fee (as set by the government – excludes Channel Islands and Isle of Man). Recommended retail prices quoted do not include these additions.

Standard features. The right equipment.

It's essential that your Volvo comes equipped with everything you need. Below you'll find the standard equipment lists for each model variant and as you'd expect, there is an array of industry-leading, cutting-edge safety innovations.

INSURANCE RATINGS	Insurance ratings may vary depending on model line and specification. For details, please refer to: www.thatcham.org/abigrouprating

- (i) For best performance and lowest fuel consumption 98 RON is recommended, 95 RON can be used for normal driving.
- (ii) The results do not express or imply any guarantee of the fuel consumption of a particular car.
- (iii) Official fuel consumption figures are obtained in accordance with Directive 93/116/EC as amended by 1999/100/EC. The figures are obtained under controlled test conditions and as such consumption achieved on the road will not necessarily accord with the official test results. Factors including driving styles and road, car and weather conditions will also have a bearing on actual fuel consumption achieved.
- (iv) Unbraked towing weight must not exceed 50% of kerb weight up to a maximum of 750 kg.
- (v) All diesel models are fitted with a particulate filter.

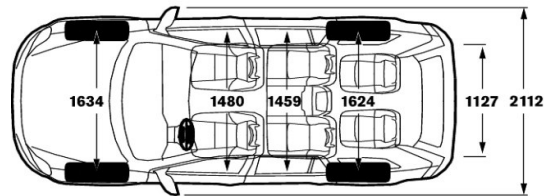

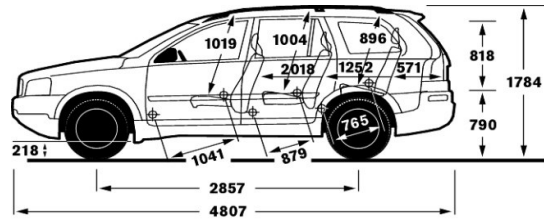

Notes
The weight of the vehicle will influence the level of CO₂ emitted and as a result, vehicles with higher levels of specification and factory fit options may emit higher levels of CO₂. However, vehicle tax is paid according to the weight and CO₂ emissions of the standard vehicle, as published in this price list.

A weighbridge must be used to determine specific weights. Data valid for manual transmission unless specified otherwise.

Auto = Geartronic Automatic Transmission

The maximum power output figures are quoted in PS (Pferdestärke), which is the metric equivalent of brake horsepower.

Some of the information in this price list may not be correct due to product changes which may have occurred since it was printed. Some of the equipment described or shown may now be available only at extra cost. Before ordering, please ask your Volvo dealer for the latest information. The manufacturer reserves the right to make changes at any time, without notice, to prices, colour, materials, specifications and models.
